Long Range Forecast

The services Volunteers Financial Services will provide are:

- ❑ **Create a basis for forecasting which will use the last 3 years actual data as the base**
- ❑ **Forecast income, expenses, debt service with cash flow analysis for next 15 years**
- ❑ **Advise on apparatus replacement and financing with the financial forecast**
- ❑ **Meet with fire company Board to review initial projections and make revisions**
- ❑ **Finalize projections and provide the Board with information to attend municipal meetings to explain the financial needs of fire company**
- ❑ **Attend Fire Company Board meeting and assist in preparing or reviewing annual budget. We will update the long range forecast with this budget information**
